

The Organizing Committee of ADMPTHC- 2023 considers the health, safety, and security of its conference attendees and community as its top priority. Due to an uncertain COVID-19 situation, which results in a very difficult travel restriction for most countries and the fact that there is no definite end in sight, with a careful consideration in all aspects, ADMPTHC- 2023 will be on-line as digital event.

ABOUT EVENT

We welcome to the (Online) One day National Conference on Awareness on Diabetes Mellitus prevention and treatment in health care (ADMPTHC-2023), on 15th October, 2023 Organized by Vidya Kutir Foundation, New Delhi. The Conference aims to bring together academia, scientist, researchers and scholars all about special topics in Diabetes to exchange information and share experiences and research results about all aspects of specialized and multidisciplinary fields. This event provides an opportunity for all to network, share ideas and present their research to a worldwide community. Discussion on the latest innovations, trends and practical concerns and challenges faced in these fields are also encouraged.

Topics of interest for submission include, but are not limited to:
